

## **Bike Florida 2009 PAMPERED Baggage Service**

It is our goal to provide a professional baggage pick-up and delivery service to the hotel/motel participants of Bike Florida 2009.

For a small fee, your baggage will be safely transported in an enclosed and secure baggage truck daily to one of the approved Bike Florida lodging locations. So relax and allow us to totally take the hassle out of your bike tour while we take bike touring to its next level.

There is no limit to the number of bags allowed.  
A 40 pound limit per bag will be strictly enforced.  
Nothing strapped or tied to baggage will be allowed.  
All baggage must be in the hotel/motel pick-up area by 7:30 AM.  
IF your baggage is not in the pick-up area when our baggage truck arrives, it will be your responsibility to have it moved forward.  
Your baggage will be delivered by mid-afternoon.  
This is a baggage service and at no time will people or bicycles be transported.  
Your baggage will be left at the lodging location of your choice in an area assigned by staff of that location.

Bubba's PAMPERED Baggage Service has designed a system which is both easy to follow and works great. Follow the directions and your baggage and you will end up at the same location.

Baggage tags will be provided for the exact number of bags you have registered  
The baggage tags will be color specific meaning there will be a different color baggage tag for each day and each location.

The baggage tags will be provided in advance with clear instructions as to which tag to use each day and for which lodging location.

If you mis-mark your baggage, you and your baggage will NOT end up at the same location.

If you fail to tag your baggage, you and your baggage will NOT end up at the same location.

Any baggage which is mis-tagged, untagged or has something tied or strapped to it will be moved forwarded and kept secured in the covered baggage truck. It will be your responsibility to arrange for its pick-up.

Please had a person identification tag on each piece of baggage.

Only the current days baggage tag should be on the baggage, remove the previous days tag.

The baggage service is provided for the approved lodging locations as listed by Bike Florida 2009. There will be an additional fee associated with delivery and pick-up and locations other than those listed by Bike Florida.

Your baggage tags and other information will be waiting for your at your lodging location in Madison, Florida Saturday March 28. Please check with the front desk for your packet.

Your baggage will be delivered to the ending location in Madison on Friday, April 4.

A confirmation email will be sent to email address provided. Updates with additional needed information will be also be sent to provided email address.
