I understand the tour supports the local businesses by not having a SAG Stop on their property but instead SAG Check-In. I understand the riders are encouraged to purchase items from the local businesses as a means of thank you for the use of the rest room and water bottle fill-up while expressing good-will
- I understand the average daily mileage of this tour is 65.

- **I understand those times with limited facilities; I may have to wait in a line to shower or use the restroom. I also understand at times the hot water may have been used up and I may have to wait for the hot water heater to recycle if I wish a hot/warm shower.**
- I understand this is a group activity and will I be spending most of my time with the same people on this tour
- I understand when the tour stays in hotels I will be sharing a room with a fellow rider of the same gender

Computer---Lap Top—Other Fragile Items

The ride will do all in its power to assure the safe daily transportation of the above mentioned items. That said, with load shifts in the support vehicles damage to these items is possible. I understand in order to maximize the protection of these and like items I will store them in a damage proof container which I, the rider, will provide.

I also agree to hold harmless the Coast 2 Coast Tour and its staff for any damage which might occur to these and like items.
