## **Pittsburgh Riverfront Pedal**

Plan to stay in Pittsburgh a day longer for a guided tour by Pittsburgh natives and veteran GAPCO riders Snowflake and Lillian.

Discover why Pittsburghers love their beautiful city and why Pittsburgh consistently lands on the top 10 lists of most livable cities.

Leaving 8:30 AM, Saturday August 15, 2020 from the Waterfront you pedal into the city of Pittsburgh for your first photo op at the terminus of the GAP located at Forks of the Ohio marker near the fountain in Point State Park.

Next stop, the Monongahela Incline. *USA Today* calls it one of the top 10 sites in the world for viewing a cityscape. We are sure you will agree. You will have plenty of time to enjoy the views while taking those memory pictures.

Leaving the incline, it will be a short ride to lunch which is included with the fee. Lunch will be served at a fabulous venue having awesome food. Trust me, you will never forget this amazing lunch venue.

After lunch you will continue biking to the North Shore on our way to the famous Bicycle Heaven bicycle museum, a must see. Bicycle Heaven, home to 3,500 bicycles, is not only a museum but the largest bicycle shop in the United States. The shop contains over 3,000 antique and collectible bikes including Pee-Wee Herman's bike from the "Big Adventure"! Literally, the floor to the ceiling is covered with amazing machines that appeal to all ages. Whether you're an avid biker, a collector or simply someone who enjoys a bike ride around your neighborhood; there's something in the 5,000 square feet that will catch your eye and put a smile on your face. You will have plenty of time to explore this one-of-a-kind attraction.

This 25-mile guided tour will be on paved trails and will offer a great opportunity to get to know your fellow GAPCO riders while enjoying a great day of sight-seeing.

Past riders have all agreed, the Pittsburgh River Pedal is one of the highlights of Bike GAPCO.

**Bubba LOVES the PRP and is sure you will as well.**

**Must be mailed with registration forms in order for the registration to be processed**  
**Double Occupancy GAPCO Bike Tour**

I understand if registering for the discounted double occupancy rate, registrations for both riders will be mailed together. I also understand, if registering as a double, some overnight locations have limited number of two bed rooms and I may be sharing the same bed with the other rider registering to share with me.

#### **Type of Bicycle**

I understand Bike GAPCO in a tour **not** on all paved roads/paths. I understand the bike style best suited for this tour is a **hybrid or mountain bike**. A trike is strongly discouraged due to width of some sections on the trail. Road bikes are strongly discouraged due to the possibility of trail being muddy. I understand if there has been recent rain, my bike and I will become muddy. Front and rear fenders are highly suggested.

#### **Safety Promise While riding on this tour, I promise at all times to:**

- Wear my bicycle helmet while riding my bicycle
- Wear bright clothing making myself more visible
- Equip my bicycle with a rear blinking light and front head light
  
- Use standard hand signals announcing turns
- Not wear any type of headphones while riding my bicycle
- Not to talk on cell phone or text while riding my bicycle
- Obey all traffic signs and signals
- Ride defensively always being aware of other riders, vehicles, and pedestrians around me, never assuming what they are doing or what they are about to do.
- Point out road hazards and yell “Gravel” “Hole” “Glass” etc to riders around me
- Call out my intentions to riders; “Slowing” “Stopping” “Turning”
- Ride in single file when a motor vehicle is behind me
- Never ride more than two abreast and never be a trail hog giving other bicyclists plenty of room to safely pass
- Always ride as far to the right as safely possible
- Use common sense and be courteous towards motorists and other bicyclists
- If stopping for any reason, I will move completely off the roadway
- Call out “On your left” while passing a slower rider and never pass on the right.

- I understand and fully accept I can and may be removed from this tour, without refund, if I do not obey these safety rules.
- To be a smart, safe, and savvy bicyclist
