TRIP INSURANCE

Trip insurance is strongly recommended.

We recommend Squaremouth, an insurance comparison marketplace that allows travelers to compare multiple trip insurance plans.
For individuals who travel multiple times per year, an annual travel insurance policy may be the most cost-effective option.

SAFETY COMMITMENT VOW

The BPP Safety First Policy requests your commitment to our best practices:

* To equip my bicycle with both front and rear lights

* Bicycle lights are to remain illuminated at all times while cycling.

* I vow to protect my awareness on roads where motor vehicles have priority by avoiding in-ear and over-ear headphones and using only bone-conduction headphones when audio is necessary.

* To obey all traffic signs and signals

* To identify and communicate road or trail hazards, such as "gravel," "hole," or "glass," to surrounding riders.

* Announce my actions to other riders by saying "Slowing," "Stopping," or "Turning."

* Maintain a single file formation when riding on public roads if a motor vehicle is approaching from any direction.
* Always ride as far to the right as safely possible, unless briefed otherwise.

I understand and agree that my participation in this tour requires my compliance with the above stated points in this SAFETY COMMITTMENT VOW
